

Help SAFE and Greyhound Protection League NZ ban greyhound racing! Show you love greyhounds by asking friends, family and workmates to support this petition.

To the House of Representatives

Petition title: Ban commercial greyhound racing in Aotearoa New Zealand

Respectfully requests: That the House of Representatives pass legislation that prohibits commercial greyhound racing in Aotearoa New Zealand and ensures all dogs that have been bred by and used within the greyhound racing industry are rehabilitated and rehomed.

Petition reason: We feel that greyhound racing should be banned in Aotearoa New Zealand because it has failed to meet the reasonable expectations of its required 'public license'. We believe it is inconsistent with the spirit of the Animal Welfare Act and that, as an industry, greyhound racing has shown it cannot and will not stop killing hundreds of greyhounds, simply to provide entertainment and gambling profits.
